

Catholic Schools Week

January 30 - February 5, 2011

Students at All Saints Catholic School were asked: What do you think makes All Saints Catholic School an A+ school? Read a few of their responses below.

Preschool: I love computer lab and circle time. Reading buddies and computer lab is so much fun! I love my teachers too. They are the best! School is cool! I really like the teachers and I love Jesus too. My teachers are so fun!

Kindergarten: Going to gym and computer lab is so much fun! ASCS has really good food! Our teacher doesn't just like us, she loves us! All Saints is great because we have AWESOME teachers! Catholic School is special to me because teachers teach us good things. Your brain gets smarter and you get to learn about Jesus.

First Grade: I like small classes and religion. I like All Saints because I learn about Math, respect, honesty, God and Jesus. I really like my teacher and my classmates. Lunch is great too! ASCS is A+ because of the religious teachings and teachers attention to student's needs. I think All Saints Catholic School is A+ because I really like gym and I like going to church.

Second Grade: School is a fun place to be! I like ASCS because I like learning. I love the teachers!!! The teachers are really nice and care about us. I love going to church with my friends on Thursdays. Our teachers teach us many things but they are also our friends. I like All Saints because they teach us about Jesus. They make the boring stuff really fun!

Third Grade: I like All Saints because we have fun events. I really like reading buddies. I think All Saints is A+ because it is a Catholic school and because it provides a good education for all children. I like All Saints because you get to learn a lot. There are nice teachers, great lunches and you get to go to church. We have the best teachers in the universe and the greatest hot lunch in the galaxy!

Fourth Grade: All Saints Catholic School has a lot of great teachers! All Saints is great because you can make a lot of friends. All Saints is great because they teach religion. I like All Saints Catholic School because we take cool field trips and the teachers make learning fun. I like All Saints Catholic School because we learn about Jesus Christ the Lord.

Fifth Grade: Our school has great teachers. I like All Saints because it is easy to make friends and everyone is very, very nice! All Saints Catholic School is nice because they help you learn about stuff you will need in the future. I think the math has a good system and we learn a lot. I like All Saints for all the great teachers and all they do for us!!

Sixth Grade: I think All Saints Catholic School is special because there are no bullies and the food is very good. The teachers care if we do bad or good in our grades. They help us if we are struggling. I think All Saints is A+ because we get to go on cool field trips. I have made great friends. Teachers really care about you and you do really cool science experiments. I also like the home-made food everyday!

Seventh Grade: I think our school is an A+ school because the teachers and staff are always helpful and understanding. All Saints Catholic School has awesome classes and classmates. I think our teachers have amazing teaching views, ideas and methods. I really like the smaller classes, field trips and activities. I get to learn about and get closer to God. All Saints is an A+ school because the academics and teachers are awesome! We are like one big family. We learn together, pray together and grow together.

Eighth Grade: ASCS pushes us to do our best. The teachers help us to be the best we can be. Their job is to prepare us for high school and that is exactly what they are doing. I love the sports and the coaches are great.
