Principals Report:

- Mr. Zangl informed us that the enrollment is up to 167 and that is K-8th grade. Kindergarten has 17 kids which we are excited about. Mrs. Travanty is back to teach music- very exciting, Mrs. Knoke will be teaching Spanish, and she comes with lots of experience.
- In Computer Technology, there will be no more Outlook. G-mail is a better communication tool. The School has also upgraded to Teacher Ease.
- The Dinner Auction on September 10th raised close to \$55,000, which is phenomenal!
- Deana Ceman also commented that at the Dinner Auction the PN table or wish list table raised a total of \$4055 for wish list items for the school. There will be a press release going into the paper this week about that.
