## Tuition Rates 2011-12

Tuition at All Saints Catholic School continues to be hundreds of dollars below the Diocesan average and far less than other states who charge as much as \$6000 annually. Our tuition remains low because of the incredible sacrifice and support of All Saints Catholic Parish who subsidize our school at rate of 61%. Payment plans are flexible and include the option of electronic funds transfer through Farmers & Merchants Bank.

**Beginning in the 2011-12 school year, our goal is to receive all tuition by the end of January. For families that meet this goal, the ASCS Education Commission has created an incentive program for tuition payments.**

**SCRIP Sales** – Families that participate in our SCRIP program will be able to apply 50% on the SCRIP profit to their tuition. For 2011-12, SCRIP purchases and their associated profits from May 2011 through December 2011 will apply to this year's tuition. The balance of the SCRIP profits help the school budget to pay for student instructional materials and teacher salaries and benefits. SCRIP sales beginning January 2012 can be applied to next school year in 2012-13 or directly to the school for budgetary needs.

**In addition to SCRIP, families can receive a maximum of \$100 per family in tuition credits annually from the following programs.**

### Full Payment Incentive Dates

**September 1**     \$100 tuition credit

**November 1**     \$75 tuition credit

**January 1**         \$25 tuition credit

**Please note: All tuition accounts unpaid by February 1 will incur a \$25/month service fee.**

### Other Incentives

**Early Kindergarten Enrollment** – Families that register for Kindergarten on or before March 31 will receive a \$100 tuition credit.

*All Saints Catholic School offers a Christ-centered education that develops the academics, morals, and values needed for students to reach their full potential.*
