

Explanation of Duties

Set-Up arrive AT LEAST 30 minutes before the start of the first game. Assist the coaches with setting up the net, pads, and standard (volleyball only), pull out bleachers and railings, set up chairs for teams, set up score table with 2 chairs and score clock (found in cabinet under mats), set up blue admission table and a chair (table is in equipment room).

Admissions arrive AT LEAST 30 minutes before the start of the first game. Take admissions for your scheduled game. Remain at table until next admissions taker has arrived. Last person gives money bag/cash box to athletic director at the end of the night.

Score clock arrive AT LEAST 30 minutes before the first game to run the clock for team warm-ups. Work the clock for the game you are scheduled. (It is not that hard - arrive early if you need a lesson from the person scheduled before you).

Score book keep the running score and some stats in the teams scorebook. Again, not a hard job, show up early for a quick lesson.

Gym monitor watch the students and prevent "goofing off", accidents, running, climbing under the bleachers, distractions to teams, etc. Can also watch the games and may be scheduled some other job (like admissions) at the same time.

Hall monitor watch the hallways to make sure the students are not playing or hanging out in them. All students, athletes and spectators must be seated in the gym.

Clean – up Assist coaches with cleaning up. Put nets, pads and standard away (volleyball only), push bleachers in, put all chairs and tables away, score clock off and put away, garbage picked up, floors swept.

Our continued use of Clay Lamberton's gym depends on these jobs being carried out properly at every game. Please help keep an eye on your children and enforce the rules that allow us to have a venue for our sporting events. Thanks!
